Bull Customers,

Landmark Angus will not be having a bull sale this year - we're going to hold a private treaty bull sale.

All the bulls will be handled the same - we will be selling 20 two-year-olds and 28 spring bulls. The calves will be a litter younger born in March and April, but will be plenty big at the time you will be turning out to your cows.

Always welcome to view the bulls at:
www.landmarkangus.com

This flyer will be your catalog, and every bull is marked with a price in the bottom right box. You can still leave them here after you purchase them, until you want to turn out.

They all will be semen checked before they can leave and insurance will be offered - Landmark will pay half and you will pay half (if you choose to take it.)

We will deliver bull free of charge if priced over \$4500 and within 200 miles.

Welcome to our *77th year* of selling seed stock!

We appreciate your business!
